Duane,

I don't really have any idea what to say to this request. The mobe and demobe I assume will be superfund's contractor and I don't believe there will be a cost to its daily activities, since I am not sure what that will be. I don't think it has a cost.

Any ideas?

Peter

Hi Peter,

I'm the FSC for the GKM response. Do you have a daily estimated cost for the mobile lab? Please include mobe and demobe in your estimate.

Thanks,

Kathy
